Employment destinations

Based on your qualifications and the season, you'll be placed in one of the high-end, luxury resorts or tourist destinations in Australia. Perhaps you'll get to enjoy the colourful marine life adjacent to the [Great Barrier Reef](#) or find yourself in the modern and sophisticated city of [Darwin](#). Are you an adventurous explorer? Consider the indigenous outback of [Uluru](#) or the breathtakingly lush landscape of [Tasmania](#).

Looking for a position in one of Australia's popular major cities? We have guaranteed placements in [Sydney](#), [Brisbane](#) or [Melbourne](#) most of the year.

Where will I live

In most placements, participants will locate their own housing. But don't worry, housing is very plentiful in Australia! We provide you with 2 nights' accommodation at award-winning [Wake Up! Sydney hostel](#), voted #5 in the world by the prestigious Hostelworld.com Customer Annual Ratings (HOSCARS) upon your arrival to Australia. We also provide you with housing links and an orientation before you depart where we discuss tips and tricks on searching for housing in Australia. Finally, if you have any questions when you arrive, our on-ground support office in Melbourne is available to provide individualized assistance. Several of our employers offer housing. These employers are in rural locations like the Outback and island locations. Let us know if you are interested in one of these locations.

Tell me more about it

Since the jobs are being offered under a cultural exchange program, there is a required program fee. This fee will be recovered upon completion of your employment term (it will come in the form of a [tax reimbursement](#)). As a non-resident of Australia, you are taxed at a higher rate than residents, but at the end of your six-month contract we help facilitate a resident status tax return for you. As you can see from the example below, this refund will most likely be more than the initial program fee and upfront costs (like your flight), making this a zero-cost endeavour!

Medical insurance

Medical insurance is mandatory for all participants. Rest assured, we can provide you many insurance providers you can choose from.
